SUMMARY.

Collegians,	11
Preparatorians and Academics,	121
Whole number,	132

The plan of the Institution comprises three Departments—the Collegiate, Academic and Preparatory. In the Collegiate and Preparatory Departments, instruction in Greek, Latin and Ancient History is given through the medium of the German language, all the other branches are taught in English. Candidates for admission to the Freshman Class of the Collegiate Department, must submit to an examination in Caesar, Virgil, the Greek Reader, Latin Grammar, Greek Grammar, Arithmetic, Geometry (two books), Algebra, through Quadratic Equations and English Grammar.

COURSE OF INSTRUCTION.

FRESHMAN CLASS.

GREEK.—Xenophon's Anabasis and the Odyssey of Homer, Prose Composition, Grammar (Lattmann's).

LATIN.—Caesar's Civil War, Ovid and Sallust, Prose Composition (Hoffmann's), Grammar reviewed.

GERMAN.—Selections from Schiller and Uhland, Composition and Declamation.

ENGLISH.—Universal History (Weber's), English Literature, Rhetoric, Composition and Declamation throughout the year.

MATHEMATICS.—Algebra (Davies'), and Geometry (Davies').

SOPHOMORE CLASS.

GREEK.—Xenophon's Memorabilia, Herodotus, Homer's Iliad, Grammar and Prose Composition.

LATIN.—Livy, Cicero's Orations and Virgil's Aeneid, Laws of the Latin Language, Prose Composition. Pupils are required to give the summary of the contents, as well as grammatical and historical explanations in Latin.

GERMAN.—Selections from Uhland and Schiller. Translations, Essays, Declamation.

ENGLISH.—Weber's Universal History, English Literature. Composition and Declamation.

MATHEMATICS.—Solid and Spherical Geometry, Plane and Spherical Trigonometry (Davies').

JUNIOR CLASS.

GREEK.—The Iliad of Homer continued, Sophocles' Ajax and Antigone, Demosthenes' Orations, Prose Composition.

LATIN.—Cicero's Orations and Tusculan Disputations, Horace. Prose Composition, Essays, Latin conversation continued.

GERMAN.—Selections from Goethe and Lessing, History of German Literature, Essays and Declamation.

ENGLISH.—Meteorology, Physiology, first part of Natural Philosophy, Logic, Composition and Declamation.

MATHEMATICS.—Analytical Geometry, (Calculus, optional).

ENGLISH.—Second part of Natural Philosophy, Psychology, Hamilton's Metaphysics, History of Mental Philosophy, Essays, Forensic Disputations.

MATHEMATICS.—Astronomy.

Religious instruction and reading of the Greek Testament throughout the College Course.

PREPARATORY DEPARTMENT.

The object of this department is to prepare young men for the studies of the college course. Instruction is given by the members of the Faculty in their respective specialties. The course extends through three years.

SYNOPSIS OF STUDIES.

First Year.—Arithmetic (mental and written), Geography, Botany, Zoology, Latin Grammar, exercises in Composition, Penmanship, Drawing.

Second Year.—The English studies of the past year completed, Latin Grammar, Latin Reader, Prose Composition, Botany, Mineralogy.

Third Year.—Lives of Cornelius Nepos, or Caesar, Latin Grammar, Greek Reader, Greek Grammar and Prose Composition, English Grammar, Algebra, Geometry (one term), exercises in Composition, Declamation, Dictation, Spelling (written), and Reading throughout the year.

ACADEMIC DEPARTMENT.

The studies extend through four years. It is designed for those who desire a liberal English and business education. Studies in Latin, French and German, optional. It includes the English studies of the Preparatory and College Departments.

First Year.—Arithmetic (mental and written), Spelling, Read-

ing, Book-keeping, (optional), Writing and Drawing, English Grammar, Geography, with map drawing.

Second Year.—The English studies of the first year completed, Weber's Universal History, Analysis of Milton's Paradise Lost, Algebra, Geometry and Physical Geography, Latin, German and French, (optional).

Third Year.—Geometry, Trigonometry, Surveying and Navigation, History of the Oriental Empires, Greeee and Rome, Anatomy and Physiology, Botany, Chemistry, Rhetorie and Literature, Latin and French, (optional).

Fourth Year.—Analytical Geometry, Mental, Moral and Natural Philosophy, History of Civilization, Differential and Integral Calculus, Astronomy, Elements of Criticism, Political Economy and Constitution of the United States, Latin and French, (optional).

Other studies may be substituted in the place of those named above, or they may be taken up in a different order, as may be required by circumstanees.

FACULTY.

In consequence of the resignation of the Professor of Mathematies, his connection with the Institution will cease with the expiration of the present school year. Until his sueeessor shall have been appointed, his ehair will be filled by the Professor of the English Language, and the President.

LIBRARY.

The Institution possesses a Library of about 1,500 volumes, whieh is increased from year to year with monies appropriated for that purpose, and by donations from friends of the school.

SCHOLARSHIPS.

Proprietors of Scholarships are entitled to a four years' course of instruction in any of the departments of the school, free of all extra charges, but, except in case of brothers, only one student can enjoy its benefits at one time.

Permanent Scholarships entitle to the same privileges, and, like the others, are transferable.

GENERAL REMARKS.

Watertown is a thrifty and healthy place, situated at the junction of the Milwaukee & St. Paul, and the Northwestern Railroads. The buildings of the Institution are beautifully located on an eminence overlooking the city, and are modern, roomy and well ventilated. The Institution is under the control of the Evangelical Lutheran Synod of Wisconsin. Correct deportment and a good moral conduct is required of all students. Those coming from other institutions must present testimonials as to their character and conduct.

The school year is divided into three terms, the first of which is of fourteen weeks, and the other two of thirteen weeks each, duration. Students are admitted at the beginning of each term.

EXPENSES.

Tuition, per Term, - - -	$10 00
Room rent, per Term, - - -	1 50
Incidental expenses, - - - -	75
	$12 25

Each student must provide himself with bedding, table, chairs, fuel and light. Board may be had in private families for from 40 to 50 Dollars per term; but students can be provided with plain and substantial board in the Institution at $25 per term.

EXAMINATIONS.

At the close of each term, all classes are publicly examined in the studies pursued during the term. Reports will be made out and sent to the parents or guardians at the same time.
